**Our  
Mission**

The purpose of this organization is to assist new immigrants, refugees and other underserved individuals in the greater

Sacramento area to achieve economic self-sufficiency, social empowerment, and cultural appreciation.

The Center accomplishes this mission by providing quality educational, vocational, human services and health programs to these individuals.

Dear Karl Lovas,

This letter is being sent in appreciation for the support Healthy Kids Concepts has provided for the Sacramento Chinese Community Service Center over the last two years. Your kind donation of blenders to our programs and support with nutrition education and advocacy has been a huge asset to our agency and the over 5000 youth we support daily. We value your organization and its mission to take action in the fight against childhood obesity by creating a movement where healthy eating, exercise and fun become the norm in the daily lives of our children. We look forward to a long collaborative relationship with Healthy Kids Concepts.

Sincerely,

Henry Kloczkowski
